IRS | Gabriela Christmann, Oliver Ibert, Heiderose Kilper
HCU | Urban and Regional Economic Studies Group | Gernot Grabher

Supported by:

DFG

Programme

Thursday | 17th January 2013

08:30 **Registration**

Welcome

09:00 Heiderose Kilper (IRS Erkner)
Gernot Grabher (HafenCity University Hamburg)

Keynote I

09:30 Ash Amin (University of Cambridge)
Surviving the Turbulent Future

Introduction

10:30 Gabriela Christmann | Oliver Ibert (IRS Erkner)
Constructing Vulnerability and Resilience – Introduction

11:00 Coffee Break

Session 1

Vulnerability and Resilience as Cognitive Constructs: Perceptions

Chair: Gernot Grabher (HafenCity University Hamburg)

11:30 Katrina Brown (University of Exeter)
Agency, Capacity and Resilience to Environmental Change

12:10 Anna Olofsson (Mid Sweden University, Östersund)
Risk Perception across Populations

12:50 Lunch Break

14:20 Catharina Landstrom (University of East Anglia)
Can Participatory Modeling improve Resilience in Flood Risk Management?

15:00 Gabriela B. Christmann | Karsten Balgar (IRS Erkner)
The Social Construction of Climate Change – Heterogeneous Perceptions of Risks and Resilience Building

15:40 Coffee break

Session 2

Resilience as Dynamic and Systemic Construct: Adaptability

Chair: Timothy Moss (IRS Erkner)

16:10 Susan Christopherson (Cornell University)
Learning and Anticipation as Key Processes in Adaptation: Community Responses to US Shale Gas Development

16:50 Gernot Grabher | Joachim Thiel | Tim Heinemann (HafenCity University)
Heterachies: Urban Adaptability to Self-Induced Shocks?

17:30 **Open Discussion**

19:00 Conference Dinner

Friday | 18th January 2013

Session 2 (continued)

Resilience as Dynamic and Systemic Construct: Adaptability

Chair: Heiderose Kilper (IRS Erkner)

9:00 Oliver Ibert | Suntje Schmidt (IRS Erkner)
Once you are in you might need to get out: Labor Market Resilience in the Course of the Careers of Musical Actors

9:40 Matthias Groß (UFZ Leipzig)
No Equilibrium, No Resilience: From Adaptation to Experimenting with Nonknowledge

10:20 Coffee Break

Keynote II

10:50 Guru Banavar (IBM, New York)
Resilience in Smarter Cities

Session 3

Resilience as Political Construct: Governance and Performativity

Chair: Oliver Ibert (IRS Erkner)

11:50 Bruce Goldstein (University of Colorado, Boulder)
Resilience through Collaborative Storytelling

12:30 Jon Coaffee (University of Birmingham)
Urban Resilience: Spatial Planning and the Shock-Proof City

13:10 Lunch break

14:30 Christian Berndt (University of Zurich)
Making Resilient Subjects: Market Failure, Behavioral Engineering and Development

15:10 Timothy Moss | Frank Sondershaus (IRS Erkner)
My Resilience is your Vulnerability. Institutional Voids and 'Rules in Use' in a Local Water Conflict

15:50 Coffee Break

Conclusion – Themes and Questions

16:10 David Stark (Columbia University New York)
Conclusions: Emerging Themes and Open Questions
